I advocate the overthrow of the current president of the fucken United States of America, I have no absolute plans yet - but soon will compose some. I am poor - This country's propaganda says that she is the best country in the world - I have not experienced this yet - The U.S. - says that life in Russia is bad - Why - ~~the~~ supposedly no average American has ever lived in a slavie society so how can he tell if it is good or bad - isn't his govt patting words in his mouth.

Anyway - I believe that the U.S. is ready ~~to start~~ to start declining, not that it hasn't - it began in Nov 23, 63 - but it should decline at a ~~fast~~ faster rate so that the real utopia will not ~~be~~ be too far from being realized during the early 70's in this country.

I firmly support the communist cause and its people - whether Russian, Chinese,

albanians Hungarians & others

For a person to put his thoughts into words is a difficult task if you were to remember that that person is a troglodyte who is therefore more psychically inclined than his urban contemporary.

America will soon face a downfall so abysmal, that she will never recover from it. This statement is based on several observations and incidents that the writer experienced.

The American politician leads his people through any course that he wants them to - this is possible because the people ~~to~~ lack the initiative, ~~or~~ are indifferent to the actions of their leaders. Their leaders say: You have the right to speak against your govt, ~~it~~ and support its changes - but remember, - though Democratic means only - if otherwise we will blast the hell out of you - and besides, you wouldn't want to do anything like that, it is stupid, costly and wasteful. Just let us run the country hire our relatives to work for us - and earn fat checks -

A List of Grievances against U.S. and its decade of "Freedom and Justice for all" ~~and not~~

Definitions: Per Webster's Dic.

Freedom: "a being free, a political Liberty, a being ^{able} to act, use, etc, without hindrance, frankness.

Justice: A being righteous, fair, rightfulness - the use of authority to uphold what is right.

The administration of law. do Justice, to treat fairly as with due appreciation.

My line of thought in this presentation is not steady in flow - due to the multiplicity of grievances and charged emotions that generate within me.

personal def. of

(per a citizen of U.S)

- ① Freedom is but an imaginary and an allusive concept ~~granted the American people~~ of political life granted the American, sheep like bourgeois masses, by their selfish, (capitalistically permissible) sinister, and power hungry (whether democratically given to them or not is immaterial) overlords - (who are bribed, paid homage to, and toyed with by ~~and~~ lobbyists) who are ~~in~~ in turn treated the same way - by lesser power hungry (political + economic), patriotic (understated) individuals (bastards)

61 FEB 10

Editorial by Geo. Putnam
Fri. June 2 10:30 P.M.

An individual's freedom of speech is guaranteed as long as he remains aligned, ~~is~~ and in accord with what his decadent leaders want him to be exp. (We — the leaders — want to be in power and legislate decree as we please and as to what ever is materially expedient to us and our families — at your cost. Should you dissent, we will find some means to kill you — (~~for~~ economically — socially — ~~pol~~ politically — etc) We will use some of the loopholes — that we have constructed in our legislation, (which by the way we established with or without your ^{consent} ~~total~~ — even tho we tell you that you live in a democracy where the people decide on all important matters ~~con.~~ that concern them, not their appointees in Congress — (the No. 1 clique in degeneration and stagnation and decadence which incidentally we are proud of).

American Capitalism ~~can~~ will fall
and give way ~~to~~ to the workers dictatorships.

A Declaration of Retaliation Against America
when in the course of human events
it has become necessary for me to
equalize and seek revenge for all the
inhuman treatments ~~that I have~~
~~received~~ by those who committed
against me by the American people.

the manifestation of this Declaration will
be executed by its purporters (1)
as soon as he is able to command
a sum of money (\$2,000) and to
acquire some firearms - the specifications
of which have not been established
yet.

The victims of the party in favor
of this declaration will be or are
now - ~~at~~ the President, Vice,
etc - down the ladder.

The time will be chosen by the
author at the convenience of the
accused.

the method of assault is immater-
ial - however the type of
weapon used should influence
it somehow.

the ~~is~~ author believes that
many in fact multitudes of people
are in harmony with his
thoughts and feelings

the conflict and violence in the
world subsequent to the ~~en~~
enforcement of this decree,
shall not be considered lightly
by the ~~sup~~ author of this
memoranda, rather he hopes
that they be the initiatory
military steps to WWII -
the author expresses his
wishes very bluntly that he
wants to be recorded by historians
as the man who triggered off
the last war -

life is ambivalence
life is a struggle
life is wicked
if life is in any way other wise, I have
never seen it
I always seem to be on the losing ^{end}
always, the one exploited - to the
fullest

2025 RELEASE UNDER E.O. 14176

Individuality is the necessary complement of the Universal Spirit which was the subject of our consideration last Sunday - The whole problem of life consists in finding the true relation of the individual to the Universal Originating Spirit and the first step towards ascertaining this is to realize what the Universal Spirit must be in itself. We have already done this to a certain extent and the conclusions we have arrived at are:-

that the essence of the spirit is life, love and beauty

"I am concerned about our country's future, not only as a citizen, but as a father."

Kennedy

"These are not ordinary times and this is not an ordinary election... I need your hand and your help."

Robert Kennedy helped lead the discussions at "Ex-Com," the top level of the National Security Council, during the explosive Cuban missile crisis.

62-587 Q23 AT

In Poland, as elsewhere in the world, Kennedy evokes enthusiasm and admiration by projecting what America and democracy can achieve.

Two long-standing Kennedy concerns: equal rights and opportunity, and the health and welfare of all children.

Few men know the Presidency as well as Robert Kennedy

Few men in government have been so vitally involved in the extraordinary issues and events of this decade.

As a **Member of the Cabinet** under two administrations, Robert Kennedy helped shape the policies that brought new hope to the nation and to the world. The NEW YORK HERALD-TRIBUNE said: "The Attorney General has been in the center of every crisis, had a hand in every major decision," of the New Frontier.

As a **Key Member of the National Security Council**, Robert Kennedy played a crucial role in the Cuban Missile Crisis. His advice weighed heavily as the President negotiated a peaceful backdown by Premier Khrushchev and the withdrawal of Russian missiles from Cuban soil. Robert Kennedy also participated in the delicate negotiations leading to the nuclear test ban treaty—the first major step by the United States and Russia to reduce the risk of world war.

As **Attorney General**, Kennedy compiled a remarkable record of achievement. The WASHINGTON POST wrote: "He has guided more important legislation through Congress than did any of his predecessors in

the past 30 years. He has made the Federal Government, for the first time, a vigorous enemy of organized crime. He has pushed equal rights for all Americans..."

As **Attorney General, United States Senator, and Special Presidential Envoy**, Kennedy has traveled through Europe, Eastern Europe, Asia, Africa, and Latin America. The respect he has earned around the world makes Robert Kennedy the most qualified American to enlist the cooperation of other nations in the cause of peace.

As a **United States Senator**, he has been a leader in candidly discussing the problems vital to the nation: a way out of the war in Viet Nam, full employment, rising taxes, crime in the streets, the disaffection of our youth, the pollution of water and air, and the strengthening of the economies of our towns and rural areas. Kennedy pioneered new solutions that will put private business and government into partnership to build new housing, offer new jobs, and helped toward a reconciliation of races.

Robert Kennedy is a man with the energy and experience to take over the most important job in the world.

Kennedy on the Issues

NATIONAL UNITY

"We must close the gaps between black and white, rich and poor, and young and old in this country. Only when everyone has a stake in society will we have a tranquil land. I run for the Presidency because I want the United States to stand for hope instead of despair, for the reconciliation of men instead of division and disorder."

"These are not ordinary times, and this is not an ordinary election. At stake is not simply the leadership of our party or even our country—it is our right to moral leadership on this planet."

LOCAL GOVERNMENT

"We must bring government back to the people. We have learned that Washington can't always know all the answers to a local problem. The people who live in a community know best what they need. The federal government should cooperate with—not dictate to—the state and local agencies, so that each does the job it can do best. This is the way to rebuild the country—by working together."

THE SOUND DOLLAR

"The cost of living in California is rising at a rate of more than 10% every four years. We simply cannot allow inflation to eat away the wage increases of workers and erode the standard of living of the people on fixed incomes. We must protect the value of the dollar and end the balance of payments deficit through measures like increased exports, more business-like government operations, reduced budget deficits and more prudent management of the economy. We should not tax foreign travel or hamstring American business activities overseas."

FOREIGN AFFAIRS

"Almost 300,000 Californians are serving in the armed forces in Viet Nam and around the world. 67,000 entered last year alone. While we have been tied down in Viet Nam, our relations with countries all over the world have deteriorated. We must negotiate an honorable peace and then get down to the job of restoring America's respect. For two years, I have been concerned that our course would not bring victory; would not bring peace; would not stop the bloodshed; and would not advance the interests of the United States. I do not advocate immediate withdrawal or surrender. I favor a fair settlement which will require concessions from both sides."

LAW, ORDER AND EQUAL JUSTICE

"The fight against crime is urgent, not only for the preservation of our property and safety, but also to enable us to continue as a nation which honors personal freedom and security. It is the duty of all public officials to keep the peace and protect the rights of all citizens who violate it. For no man has the right to menace the safety and well-being of his neighbors, and those who lead others to burn and kill must feel the full force of the law."

"But punishment is not prevention. We will reestablish our domestic tranquility only when there is full constitutional justice. Our goal is to put an end to a society where a man wears his color as a badge of inferiority, and to move toward a society where men may exercise their rights as citizens without fear of official hostility or violence. But we have to do more. Much more. The great challenge before us is to give every American the same opportunity to educate his children, provide for his family, live in a decent home and win human acceptance as well as economic achievement."

WELFARE

"It is a disgrace that able-bodied people who want work are on the dole. There should be tax incentives and subsidies to private industry to create new and useful jobs, and there should be programs to train men to fill them. That is the way to restore dignity and family stability to the unemployed, and curb the spiraling cost of welfare that eat up so much of our tax money."

BUSINESS—GOVERNMENT COOPERATION

"We must utilize the skill and talent of our private industry to a greater extent than we have done in the past. The unparalleled ability of our scientists, engineers and businessmen to solve problems and get things done can make the critical difference in improving the quality of American life and succeeding in the war on poverty. It can make the difference in the effort to eliminate pollution, reduce medical costs and provide efficient mass transit."

TAXATION

"Property taxes have become an intolerable burden on people. I want legislation that returns a portion of federal tax revenues to the local government to help pay for education, health and other services, and takes the burden off local property taxes. New tax laws must close loopholes, so that the wealthy pay their fair share."

Kennedy

"I run for
the Presidency
because I want
the United States
to stand for the
reconciliation
of men..."

1. How do you justify taking one land from one people (Palestinians) and giving it to another (Zionist Jews)?
2. In the name of what justice do you justify the Palestinian refugees living in the desert in tents and suffering from hunger, disease, and dying away from their homeland after being the owners of the land in Palestine?
3. How do you justify the Zionists Jews coming from other countries and taking the place of the real owners (Palestinians) who have fled to different parts of the world from Zionists terrorism and aggression?
4. How do you justify the killing and murders that take place and are still taking place in Palestine?
5. How do you justify giving and supporting the Zionists state with military aid as phantom jets so that they kill more innocent and peaceful people (Palestinians)?
6. How would you like someone forcing you out of your house and throwing you in the backyard and giving it to someone else that is not the owner?
7. How would like someone to strip you from your country and consider you as a second class citizen after you were a first class citizen? This is what happened in Palestine.

Palestine belongs to Palestinians just as America belongs to the Americans whether you like it or not (it depends on your conscience whether you believe in justice or not). We as Palestinians are ready to die for our beloved country (Palestine) and the only peaceful solution for our people is that Palestinians should go back to their homes and the Zionist Jews should go back to their original countries where they come from. If the Zionist Jews come from paradise, let them go back to paradise and if they come from hell let them go back to hell and the Palestinian refugees should go back to their homes and land.

I am not a communist and I hate communism. You know and it is very clear that there is no communist practices or organizations in the Arab world. If there is communism in the Arab world, they were forced to accept and ask for help from Russia in order to liberate Palestine from Zionism because the United States has turned against them and if there is communism in the Middle East, American politicians are to blame because they are using good hearted American people for their own glory and fame. It is a shame to mention this but it is the truth. American politicians should look for America's greatness, fame and glory and not for themselves. It is also a shame to see American Presidential candidates bow and kneel to Zionism to get in the white house.

Communism is using new techniques in modern warfare which is (kill yourselves) as for example what happened in Viet Nam where American soldiers were killed and not one Russian soldier's blood was shed.

Zionism is using America and taking advantage by claiming that America should fight communism for their aim which is the destruction not only for America but for the whole world. For example, the killings, murdering, and robbing, and inhuman barbarian and animalistic and criminalistic acts and behavior that they committed against the innocent peace-loving Palestinians is illegal. Also, Zionism in America is blurring the vision of good hearted Americans so that they cannot see black from white and keeping them away from the truth. The disorder and violence, crime, hunger in America is caused by Zionism through their propaganda and by sending millions of American dollars to the Zionist State. I wonder how they can be loyal to two countries, America and Israel? Is America their country or the Zionist State which is called Israel?

I not only love America but I am ready to die for America. I hate to see America being used by Communism and Zionism. Communism is destroying America on the outside, and Zionism is destroying America on the inside.

I have asked these questions to Senator Robert Kennedy in May 1968 but he ignored us and went on promising the Zionists with jets so that he gets more votes to get to the White House, here I find myself asking the same questions to you again. Please do not force us to believe in political assassination which is against our heritage and culture unless we are pressed from you. Let it be clearly known that I have ordered and directed my Palestinian Commandos to destroy every American politician who supports or negotiates any kind of help to the Zionist State. We are aware of Dayan's visit to the United States in December 1968. This will be his last visit.

I further more beg and ask again and again please do not make us believe in political assassinations. And as I mentioned above, I am willing to die for America as for Palestine. I hate to see America destroyed by Zionism and Communism. We think in America that we are above Communism and Zionism. The truth is not that, but we are lost in between.

We thank you for giving this matter the greatest consideration hoping that you will be against the aggressors (Zionists) for the sake of justice and the world peace, thank you.

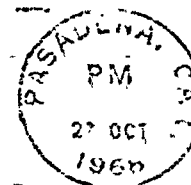

Sincerely Yours,

RE: KENSALT

Enclosed for the Laboratory are various notes, books, and writings found in the room of SIRHAN BISHARA SIRHAN.

The enclosed items consisting of various notes, books, and writings found in the room of the subject were obtained by the Los Angeles Police Department as evidence. United States Attorney WILLIAM MATTHEW BYRNE, JR., Central District of California, has been in contact with the office of Los Angeles County District Attorney EVELLE YOUNGER. Mr. BYRNE states this material should be handled like all other evidence, that is, the contents should remain confidential and not be disclosed publically prior to trial or to unauthorized individuals. Mr. BYRNE added that should the contents be disclosed, it could have a serious adverse effect involving successful prosecution in either Federal or State court and could needlessly subject the Federal Government to adverse criticism.

Taking all factors into consideration and if feasible, the Bureau may desire to consider the processing of the enclosed material for fingerprints. In addition, the Bureau is requested to make appropriate handwriting comparisons to establish the identity of the author and/or owner. In addition, the Bureau is requested to conduct all other known possible types of examinations of the material that may be of benefit to the investigation and prosecution of this case or may be pertinent at any future

Certain indented writings were found on pages of the notebook, Q3. It was found that these indented writings correspond to writings on other pages in the submitted material.

Various ink and pencil writings appear on the questioned documents. Faint writings consisting of ink transfers were noted on pages 65 and 122 of notebook, Q3. Ink transfers of this nature sometimes occur when documents are pressed closely together for some period of time. The faint writing on page 122 of Q3 is a transference of a portion of page 123 of Q3. The original document from which the ink transference on page 65 of Q3 originated does not appear to be contained in any of the submitted material.

The seven sheets of spiral notebook paper listed as Q5 correspond in physical features to the pages in the notebook, Q3. The sheets in Q5 were probably torn from Q3.

Stains appear on certain of the questioned documents. Since exhaustive Laboratory examination of the stains would entail destruction of portions of the documents, chemical examinations of the stains were not made.

Two copies of the translation of the foreign language material contained in the submitted specimens are forwarded to Los Angeles.

Q5 Seven sheets of spiral notebook paper, further described as follows:

- (A) Sheet bearing handwriting beginning "Slavery — History," ending on reverse side "...cattle Kingdom"
- (B) Sheet bearing handwriting beginning "Cattle Kingdom began....," and ending on reverse side "...tarriif"
- (C) Sheet bearing handwriting beginning "Rosecrucian Philosophy"
- (D) Sheet bearing handwriting beginning "the New epic," and ending on reverse side "...realistic"
- (E) Sheet bearing handwriting beginning "How to Swing a golf club properly," and bearing handwriting on reverse side beginning "If you decide..."
- (F) Sheet bearing handwriting beginning "...Your book, Mastery of life," and bearing various handwritten characters on reverse side
- (G) Sheet of paper bearing handwriting on reverse side beginning "I have often experienced momentary..."

Q6 Portion of cardboard sheet bearing handwriting beginning "Jet Spe____, Rosenc to..."

Q7 Two sheets of paper bearing handwriting and reproductions of typewriting, first sheet beginning "RUSSIAN 1B FINAL L's 14" containing exercise notations 1-10 through 105-128 and second page bearing exercise notations 129-139 through 199-200

Q8 Honorable Discharge from California Cadet Corps issued to Sirhan B. Sirhan dated June 13, 1963

Q9 Strip of three photographs

Q10 May 23, 1968, issue of The Christian Science Monitor, Western Edition

Q11 Two-page copy of "THE OPINION, AN INDEPENDENT STUDENT PUBLICATION," dated Friday, March 30, 1962

Q12 One-page announcement beginning "MEET A WINNER..."

Q13 Pamphlet entitled "MENTAL PROJECTION"

Q14 Business card of BORIS YARO, STAFF WRITER, LOS ANGELES TIMES, bearing on reverse side handwritten notation "7469541, 625 W 28th St., L.A."

ALSO SUBMITTED: Manila-type folder

Result of examination:

The signature on the available photocopy of the fingerprint card of SIRHAN BISHARA SIRHAN (obtained by St. Horse Racing Bd., Los Angeles, California) is too limited and not sufficiently comparable with the questioned writing on the specimens described above for the purpose of determining whether SIRHAN wrote any of the questioned writing.

The submitted material is being returned separately to FBI, Los Angeles. This material has been photographed.

A translation of the foreign language material contained in the submitted specimens is attached.

Note for Los Angeles:

This supplements Bureau teletype dated 6/6/68 to Los Angeles in this case.

A separate report is being submitted concerning the fingerprint examination, at which time you will be advised with respect to the return of the submitted evidence.

Nothing significant was noted in the cryptanalytic examination of specimens Q1 through Q14.

The questioned writing was searched through the appropriate sections of the National Security File without effecting an identification with any prior submission.

It was found that the typewriting on Q7 and Q11 is not clear enough for adequate examination.

Enclosed for the Laboratory are various notes, books, and writings found in the room of SIRHAN BISHARA SIRHAN.

The enclosed items consisting of various notes, books, and writings found in the room of the subject were obtained by the Los Angeles Police Department as evidence. United States Attorney WILLIAM MATTHEW BYRNE, JR., Central District of California, has been in contact with the office of Los Angeles County District Attorney EVELLE YOUNGER. Mr. BYRNE states this material should be handled like all other evidence, that is, the contents should remain confidential and not be disclosed publically prior to trial or to unauthorized individuals. Mr. BYRNE added that should the contents be disclosed, it could have a serious adverse effect involving successful prosecution in either Federal or State court and could needlessly subject the Federal Government to adverse criticism.

Taking all factors into consideration and if feasible, the Bureau may desire to consider the processing of the enclosed material for fingerprints. In addition, the Bureau is requested to make appropriate handwriting comparisons to establish the identity of the author and/or owner. of America will be advised of their punishments for their treasonable crimes against the state. More over we believe that the glorious United States of America will eventually be felled by a blow of an assassin's bullet."

A third page contains the following statement. "Ambassador Goldberg must die die die." Repeated numerous times on this same page appears "Goldberg will be illiminated."

Page four contains the statement "Kennedy must die - Kennedy must fall," which is repeated numerous times.

Page five contains the statement that "RFK must be disposed of like his brother was."

The statement "I advocate the overthrow of the current President of the (obscene) United States of America. I have no absolute plans yet - but soon will compose some" appears on page six.

Page seven contains the statement "Well, my solution to this type of Govt. today is to do away with its leaders and declare anarchy, the best form of Govt. or no Govt."

On page eight appears the statement "I believe that I can effect the death of Bert C. Altfillisch," who was the employer of Sirhan at the time he was thrown from a horse during September, 1966.

Also appearing was the notation "Robert F. Kennedy must be assassinated before 5 June 68."

In addition, a source who has furnished reliable information in the past and who is an active member of the Communist Party in California advised that he received information from an associate of Sirhan's to the effect he was extremely anti-Semitic in his views, was in favor of the Vietcong and supported some Communist Party ideals. Sirhan, according to this source, had been thoroughly briefed on Communist Party activities at the University of California at Los Angeles within the last two weeks. Although it was reported to this source that an attempt had been made to recruit Sirhan into the Communist Party, Sirhan allegedly has not engaged in any Communist Party activities.

ASSASSINATION OF SENATOR ROBERT F. KENNEDY

Investigation by the FBI is continuing in order to determine the full facts surrounding this situation and in order to ascertain if Sirhan acted alone.

ASSASSINATION OF SENATOR ROBERT F. KENNEDY

Sirhan Bishara Sirhan, according to records of the Immigration and Naturalization Service, Los Angeles, California, was born on March 19, 1944, in Jerusalem, Palestine. His current address was given as 696 East Howard Street, Pasadena, California. Immigration and Naturalization Service records show he entered this country on January 12, 1957, with his father, Bishara Salameh Ghattas Sirhan, his mother, Mary, four brothers and a sister who is now deceased. His brothers, Adel, Munir, and Saidallah, are currently shown as residing with their mother and Sirhan at 696 East Howard Street, Pasadena, California. The fourth brother, Sharif, is a resident of Highland Park, California. His father allegedly resides now in Jordan.

Our Los Angeles Office reports that Sirhan Bishara Sirhan graduated from high school in Pasadena, California. He thereafter attended Pasadena City College, a junior college, for approximately two years, but did not graduate. He formerly worked as a race horse exercise boy and during September, 1966, sustained a head injury after falling from a horse. Interviews with his family indicate his behavior has changed considerably since this injury. Records of the State of California reveal he was awarded a settlement on March 27, 1968, in the sum of \$2,000. His brother, Adel, advised the assailant has been unemployed for the past three months. When taken into custody he had \$409 in cash on his person.

During a search of his room in the Pasadena family home numerous items, including notations advocating the overthrow of the President of the United States and statements alluding to the necessity for assassinating Robert F. Kennedy, were found. According to United States Attorney William Matthew Byrne, Jr., Central District of California, who had been in contact with the office of the Los Angeles County District Attorney, this material should not be disclosed publicly prior to the trial nor should it be made available to unauthorized persons since it could have a serious adverse effect upon successful prosecution in either Federal or State court. One handwritten page bearing the date May 18, 1968, 9:45 a. m., contains numerous notations among which are "My determination to eliminate RFK is becoming more the more of an unshakeable obsession." "RFK must die - RFK must be killed. Robert F. Kennedy must be assassinated." Another page contains the handwritten statement that "The so-called President of the United States

ASSASSINATION OF
SENATOR ROBERT F. KENNEDY
LOS ANGELES, CALIFORNIA

This is to advise that Sirhan Bishara Sirhan, a Jordanian national, has been identified as the individual who shot Senator Robert F. Kennedy at 12:15 a. m., Pacific Daylight Time, June 5, 1968, in the ballroom of the Ambassador Hotel at Los Angeles, California. The Senator subsequently died at 1:44 a. m., Pacific Daylight Time, June 6, 1968, at the Good Samaritan Hospital, Los Angeles.

After the assailant was taken into custody by authorities, he refused to identify himself or otherwise discuss this matter. He was shortly thereafter charged by the Los Angeles Police Department with intent to commit murder and held on \$250,000 bond.

His brother, Adel Sirhan, notified authorities as to Sirhan's true identity. The FBI subsequently identified Sirhan's fingerprints as being identical with those of an individual by the same name which were submitted by the California State Horse Racing Board during 1965.

According to the Los Angeles Police Department, the weapon used in the assassination was an eight-shot .22 caliber Iver Johnson pistol. All eight shots were expended. Records of the California Department of Justice show this pistol to have been sold on August 10, 1965, to one Albert Leslie Hertz of Alhambra, California. It was subsequently traced by police authorities through several parties to one of Sirhan's brothers, Munir Sirhan.

Memorandum to Mr. DeLoach
RE: ASSASSINATION OF
SENATOR ROBERT F. KENNEDY
LOS ANGELES, CALIFORNIA

Sirhan is presently confined to an eight by ten foot hospital room located on the second floor of the Los Angeles Central Jail. The room contains no windows and has a single steel door with a twelve by twelve inch glass window which permits observation by an outside guard. Sirhan leaves the room only to shower and for medical attention. He is under guard at all times. Inspector Ralph C. Welch, officer in charge of the jail, advised that no electronic device is in Sirhan's cell nor will one be installed. Sirhan is constantly surveilled through the glass window by police guards. Inspector Welch advised that under no circumstances will he be brought to an interview area in the jail because of security reasons. Medical examination showed that upon attendance he had a fractured finger and a swollen ankle. There were no indications he had been using narcotics in any form. Agents from our Los Angeles office are at the jail full time.

Information developed by our Los Angeles office through interview with the family indicates that while Sirhan had exhibited Anti-Semitic attitudes in the past, he had never indicated any previous dislike for Kennedy. No information has been developed indicating he was associated with others in connection with this offense. It appears that he had no close associates and belonged to no racial-type organizations.

ACTION

(1) Attached is a letterhead memorandum for the White House with copies to the Vice President, the Attorney General, the Deputy Attorney General, and the Civil Rights Division.

Attached for approval is a memorandum to the White House with copies to the Department summarizing developments relating to the assassination of Senator Robert F. Kennedy, who died at 1:44 a.m., Pacific Daylight Time, at the Good Samaritan Hospital, Los Angeles, California, after being shot in the head by an assailant at the Ambassador Hotel, Los Angeles, California, at 12:15 a.m., 6/5/68. The assailant has subsequently been identified by his family and FBI identification of fingerprints as Sirhan Bishara Sirhan, a twenty-four-year-old Jordanian national who resided in Pasadena, California.

In summary, the attached memorandum to the White House sets forth details relating to the shooting, the subsequent identification of Sirhan and results of inquiries by local authorities and the FBI concerning the background of Sirhan and his family, all of whom reside in the Los Angeles area with exception of his father, whose whereabouts is unknown. We set forth certain information relating to notations found in Sirhan's room by FBI Agents and Los Angeles police officers, which indicate Sirhan had considered the assassination of not only Kennedy, but the President and Ambassador Goldberg, among others. This information has not been made public to our knowledge and the U. S. Attorney in Los Angeles has indicated to do so could adversely effect successful prosecution of this case. We have set forth the U. S. Attorney's comments in the attached memorandum.

The original documents are being flown in by commercial aircraft and will be examined by the Laboratory and Identification Division immediately upon arrival. In addition we make reference to certain associations with the California Communist Party.

of the family; other victims of the assault; current incarceration of Sirhan as well as other related matters. Christopher, Lynch and Byrne all went to the county jail, observed the cell area and discussed the situation with the Los Angeles County Sheriff. They also viewed the crime scene at the Ambassador Hotel. According to SAC, Los Angeles, all appeared highly pleased with the thoroughness and accuracy as well as the over-all handling of the FBI investigation. No mention was made as to whether the FBI should interview Sirhan at this time, it being noted we have on 6/6-7/68 discussed this aspect with the Civil Rights Division requesting their views as to what action should be taken along these lines.

THE GIRL IN THE POLKA DOT DRESS

One phase of this investigation which has been receiving considerable attention by the news media is the so-called girl in the polka dot dress who was reportedly seen running from the ball room immediately after the shooting screaming "we have shot him." A student, Sandra Serrano appeared on television shortly after the shooting describing the incident. Cathie Fulmer, a Los Angeles cocktail waitress, contacted the Los Angeles Sheriff's Office indicating she may have been the girl involved since she had a polka dot scarf over her dress and did run from the hotel screaming "They have shot him" immediately after the incident. Fulmer although not certain, believes she saw Sirhan several times prior to the shooting at the hotel.

When questioned thoroughly by Los Angeles Agents it was noted that the area of the ball room where Fulmer states she was located and the entrance and exit she used were not near the area the witness claims to have seen the girl in the polka dot dress. The witness after viewing Fulmer claimed she was not identical with the individual she saw. This phase of our inquiry is being pressed.

ATTEMPT TO SMUGGLE GUNS INTO JAIL

According to information received from the Los Angeles Sheriff's Office on 6/7/68, that department received information from a confidential source to the effect that a woman was going to smuggle three guns into the jail in order to effect the escape

This is to advise of current developments with respect to our investigation into captioned matter.

ADMISSIBILITY OF EVIDENCE

With respect to the material obtained from Sirhan's room in the family home at Pasadena, California, information has been received from Los Angeles that Lynn Compton, Chief Deputy District Attorney, Los Angeles County, has voluntarily opined that the search was completely illegal as no search warrant had been obtained, and, furthermore, the evidence had been tainted by Los Angeles Mayor Yorty's public comment concerning the contents of the material seized. We had contacted Compton in connection with our Laboratory and Identification Division examination of this material and he emphasized that he was furnishing this opinion in extreme confidence and only for the information of the FBI.

Los Angeles reports that when a Bureau Agent reached the scene of the search the press and television were already at the home at 696 East Howard Street, Pasadena, setting up television equipment with newsmen searching through the trash cans. Local law enforcement officers immediately entered the home and the Agent, with another officer, went to the rear of the residence in order to determine if anything had been taken by the newsmen. When the Agent finally entered the residence police officers were in the process of sorting through the notebooks and other material. Our Agent did not participate in the search but merely observed the proceedings.

BRIEFING OF DEPUTY ATTORNEY GENERAL CHRISTOPHER

SAC, Los Angeles, reports that he conferred for approximately an hour on 6/7/68 with the Deputy Attorney General, Department Attorney William Lynch, and United States Attorney William Matthew Byrne, Jr., Central District of California, concerning the evidence recovered to date; the preliminary autopsy report; Sirhan's background and character

of two convicted murderers awaiting execution. At 7 p.m., 6/7/68, a 55-year-old woman, Edyth Claybaugh Grant, subsequently entered the jail building and the deputy discovered the guns secreted in a typewriter which she intended to leave for one of the inmates. This has no direct connection with captioned matter; however, it has received considerable attention in the press.

PHOTOGRAPHS AT AMBASSADOR HOTEL SOLD TO LIFE MAGAZINE

Peter Berksen Spencer, a professional free lance photographer was present at the scene of the shooting and reported to our Los Angeles Office that immediately upon hearing the shots took approximately 20 to 30 photographs of the ensuing action. The negatives were purchased by Life magazine and forwarded to New York City. We are contacting Life in an attempt to obtain copies of pertinent photographs.

ACTION

An exhaustive investigation of this matter is continuing.

Enclosed for the Laboratory is a two-page handwritten letter with envelope from Mr. and Mrs. T. J. BYRNE, 6618 Willoughby Avenue, Hollywood, California 90038. Also enclosed is a hand printed note on approximately a 5" by 8" piece of paper bearing, "Where is Oswald now that we need him?"

The enclosed was received by the Los Angeles Division on 6/6/68, from Mr. and Mrs. BYRNE and the letter indicates that the BYRNES had a photograph of Senator KENNEDY in the living room window. On arriving home the day after the photograph was put in the window, the above described hand printed note was attached to the mail box.

The Laboratory is requested to examine the hand printing on the note and compare it with any other hand printing submitted in this case now or at a later date in an attempt to identify the printer. It is also requested that upon completion of any other examination deemed advisable by the Laboratory, the above piece of paper be examined for any possible latent fingerprints and compared with the fingerprints of the subject in this case.

The above may be retained by the Laboratory.

Enclosed for the Laboratory is a "Residence Statement" bearing hand printing and a handwritten signature believed to be executed by SIRHAN B. SIRHAN dated 7/7/64.

This card was furnished by Dr. IRVIN G. LEWIS, Administrative Dean for Students Personal Service, Pasadena City College, Pasadena, California, on 6/7/68. Dr. LEWIS explained each student is required to execute a Residence Statement card to prove his residency and to avoid payment of tuition.

U. S. Attorney W. MATTHEW BYRNE, Jr., Central District of California, has been in contact with the Office of Los Angeles County District Attorney EVELLE J. YOUNGER. Mr. BYRNE stated this material should be handled like all other evidence, that is, the contents should remain confidential and not be disclosed publicly prior to trial or to unauthorized individuals. Mr. BYRNE added that should the contents be disclosed, it could have a serious adverse effect involving successful prosecution in either Federal or State court and could needlessly subject the Federal Government to adverse criticism.

The Laboratory is requested to conduct appropriate handwriting and hand printing examination of previously submitted material, utilizing this card as known handwriting of SIRHAN B. SIRHAN.

The card may be returned to Los Angeles upon completion of examination.

K9 Argonaut Insurance Company check #262013 dated 4/5/68, in the amount of \$1,795.00, payable to Sirhan Sirhan, and endorsed in name of payee

Result of examination:

Due to differences in time of writing and due to the limited amount of available writing of Sirhan Bishara Sirhan, a definite conclusion was not reached whether Sirhan Bishara Sirhan wrote any of the questioned writing on specimens submitted previously in this matter. Due to the limited amount of writing available for examination, a definite conclusion was not reached whether the writers of K4 through K7 wrote any of the questioned writing on the specimens submitted previously.

Specimens K2 through K8 are being returned to FBI, Los Angeles. Specimen K9 is being returned to FBI, San Francisco. These specimens have been photographed.

NOTE FOR LOS ANGELES AND SAN FRANCISCO:

This confirms Bureau teletypes dated 6-11-68, 6-12-68, and 6-13-68 addressed to Los Angeles in this matter. For your investigative guidance, similarities were noted in the writings of Sirhan Bishara Sirhan and certain questioned writings.

Los Angeles has been requested to obtain contemporary writings of Sirhan containing words and letters comparable with the questioned writing. Efforts to obtain known writings comparable with the questioned writing should be continued.

San Francisco requested the return of specimen K9 so that it could be returned to the Argonaut Insurance Company. Since K9 may become a piece of ~~general~~ evidence in this case, San Francisco should retain K9 until such time as this specimen may no longer be needed as evidence.

The above items were obtained on 6/7/68 from EDWARD D. WARREN, President, Watts Chapter, National Association for Advancement of Colored People (NAACP), 10201 $\frac{1}{2}$ South Compton Avenue, Los Angeles, who advised that he received items on 6/5/68. He could not furnish any information concerning the possible identity of the individual or individuals who may have sent the above and advised that there is no "Director" in the Watts branch and pointed out that the Watts branch is not identified as the "Watts Section."

Mr. WARREN furnished the opinion that possibly the sender or senders may have had in mind the Executive Director of the NAACP, New York City, New York, Mr. ROY WILKINS. Mr. WARREN also advised that numerous persons have handled these communications.

The Laboratory is requested to conduct appropriate hand printing and typewriting examinations on the enclosed items and compare with previously submitted material in an attempt to identify the sender or senders or possibly with that of SIRHAN B. SIRHAN.

These items may be retained by the Laboratory.

Result of examination:

The conclusion was reached that the majority of the questioned writings on pages fifteen and ~~Twenty~~ seven of notebook Q1 were not written by SAIDALLAH B. SIRHAN, K11; by SHARIF B. SIRHAN, K12; or by MUNIR BISHARA SIRHAN, K13. While the writings on K11 through K13 are too limited and not sufficiently comparable for adequate comparison with other questioned writings on the specimens submitted previously in this case, many differences in handwriting characteristics were found.

Due to the limited nature of the writing on K18 and due to a lack of comparable handwriting, the writing of ADEL BISHARA SIRHAN, K10, could not be adequately compared with the questioned writings. Some differences were found in the writing on K10 and the questioned writings.

Specimens K10 through K13 are being returned to FBI, Los Angeles. These specimens have been photographed.

Note for Los Angeles:

This confirms Bureau teletype dated 6/14/68 to Los Angeles.

Lab. No. PC-A7026 LD CF

Specimens received 6/13/68

Q21 Metal container, piece of wire and slack particles

Results of examination:

Specimen Q21, as received in the Laboratory, consists of a metal container, a piece of insulated wire and numerous black particles. Specimen Q21 is contained in a plastic envelope and the wire is not attached to the metal container.

The blast drum-shaped metal container in specimen Q21 is approximately 13/16" in diameter and approximately 5/16" thick. A 1/4" diameter brass rod extends from one side of the container and a mica diaphragm and brass plate are mounted on the other side. Black granules or particles are present in the container. The container appears to have been damaged before receipt in the Laboratory.

The metal container appears to be a microphone button of the type used in telephones manufactured twenty to thirty years ago. Microphone buttons of this type were manufactured in great quantities. These microphone buttons contain carbon granules which form a variable resistance under the influence of voice vibrations. Without additional components and circuitry, Q21 could not transmit special speech signals or otherwise act as a monitoring "bug."

The black particles present in Q21 are essentially carbon.

There are impressions on the metal container which appear to have been made by a tool employing a gripping action such as a pair of pliers. There are also scratch type marks on the container which are not sufficiently characteristic to determine the type object causing these marks. The marks and impressions on the metal container are suitable for comparison purposes.

SUBJECT: KENSALT

Enclosed for the Laboratory are two senior high school program cards for SIRHAN SIRHAN dated 1/29/62 and 9/11/61.

The above cards were provided by Mrs. JEAN O. MORE, Records Clerk, John Muir High School, 1905 North Lincoln, Pasadena, California, to SA RICHARD H. ROSS. Mrs. MORE stated the cards contained the handwriting and handprinting of SIRHAN SIRHAN. She said that according to registration practices at the high school during the 1961 and 1962 school year, students were required to write the name of their parent or guardian and the date the form was executed. The student received the card in the early morning and was required to return the card at the end of the same school day; therefore, she is of the opinion that the writing is that of SIRHAN SIRHAN, even though the signature is in the name of Mrs. MARY SIRHAN.

The Lab is requested to conduct appropriate handwriting and handprinting analysis, utilizing the enclosed cards. These cards are to be returned to Los Angeles upon completion of examination.

Result of examination:

The conclusion was reached that SIRHAN BISHARA SIRHAN, whose writings and whose purported writings appear on specimens K1 through K3, K8, K9, K14, and K16, wrote the hand printed address in the lower portion of page one of Q1; the hand printed address and names "SIRHAN SIRHAN" in the upper portion of page 32 of specimen Q1; and the English writing on the front of specimen Q5-F.

The available writing of SIRHAN BISHARA SIRHAN is too limited and not sufficiently comparable with the remaining questioned handwriting on the specimens previously submitted in this matter, for the purpose of determining whether SIRHAN BISHARA SIRHAN wrote any of the remaining questioned handwriting. Similarities in handwriting characteristics were found in the writings of SIRHAN BISHARA SIRHAN and a number of the remaining questioned writings, including certain questioned writings on pages 20, 35, 39, 47, 51, and 53 of specimen Q1; pages 123 and 124 of specimen Q3, and the writing on Q4.

The signatures appearing on K15 are too limited to permit adequate comparison of these signatures with the questioned writings.

Specimen K14 is being returned to FBI, San Francisco. Specimens K15 and K16 are being returned to FBI, Los Angeles. These specimens have been photographed. The pamphlet described as "ALSO SUBMITTED" is being retained.

NOTE: For San Francisco and Los Angeles

This confirms Bureau teletype 6/17/68, addressed to Los Angeles.

If future testimony of the FBI Laboratory expert is needed, it will be necessary to utilize as a minimum number of known handwriting standards, the writings on K1 through K3, K9, K14 and K16. The Los Angeles Office should appropriately advise the District Attorney, Los Angeles, that these specimens must be

introduced and authenticated as known handwriting standards of the subject. The only available script writing of the subject appears on specimen K14, and this writing is absolutely essential for the identification of the English writing on Q5-F, and the similarities pointed out with respect to other questioned writings.

If it is possible to obtain additional adequate known handwriting samples prepared by SIRHAN, further conclusions may be reached.

Enclosed for the FBI Laboratory is an original employment application executed in the name of SIRHAN SIRHAN for the Burroughs Corporation, Pasadena, California, dated 11/7/67.

Enclosed document was made available on 6/14/68 by RICHARD LUCIEN, Manager, Industrial Relations at Burroughs Corporation, 460 North Sierra Madre Villa, Pasadena, California; however, he stated that the actual interview of SIRHAN was conducted by the employment representative, MELVIN OLSON.

On same date, MELVIN OLSON advised that the application was executed and completed by an individual who identified himself as SIRHAN SIRHAN and was completed in the black ballpoint writing. The red notations on the application were made by Mr. OLSON. Mr. OLSON was unable to identify a photograph of SIRHAN SIRHAN taken 6/5/68 by the LAPD with the individual named SIRHAN SIRHAN who completed the application on 11/7/67.

The Laboratory is requested to compare the hand printing and handwriting on the enclosed document with the documents previously submitted in this case to determine if there is any similarity between this document and any known handwriting prepared by SIRHAN.

The enclosed document should be returned upon completion of examination.

Result of examination:

In addition to the conclusions reported previously in this matter, the conclusion was reached that the hand printed name and hand printed address of SIRHAN SIRHAN in the lower portion of page 49 of specimen Q1 were written by SIRHAN BISHARA SIRHAN whose writings and whose purported writings appear on specimens K1 through K3, K8, K9, K14, K16 and K18.

The writing on K18 is not sufficiently comparable with the remaining unidentified questioned writing on the specimens submitted previously in this matter for the purpose of determining whether SIRHAN BISHARA SIRHAN wrote any of the remaining unidentified questioned writing.

Specimen K18 is being returned to FBI, Los Angeles. This specimen has been photographed.

NOTE: For FBI, Los Angeles

The writing on specimen K18 is of value as an additional known standard of writing of SIRHAN, and K18 must be established as a handwriting standard, if future testimony of the FBI Laboratory expert is needed concerning the identification of the handprinting on page 49 of specimen Q1, as set forth in this Laboratory report.

Result of examination:

The writing on the photocopy, Qc24, is too indistinct for adequate comparison of the "Sirhan Sirhan" signature and address thereon with the available writings of SIRHAN SIRHAN. If the original document for Qc24 or a clearer photograph is submitted, a more suitable examination can be made.

The additional purported handwriting of SIRHAN SIRHAN, designated as specimen K19 is too limited to permit a definite conclusion to be reached whether SIRHAN wrote any of the unidentified questioned writing on the specimens submitted in this matter. It was found that the writing on specimen K19 is of value as an additional handwriting standard of SIRHAN.

Specimens Qc24 and K19 are being returned to FBI, Los Angeles. These specimens have been photographed.

NOTE: For FBI, Los Angeles

Los Angeles will refer to the comments of the FBI Laboratory made previously in this matter. Similarities in handwriting characteristics were found in the known writing of SIRHAN SIRHAN and the signature and address of SIRHAN SIRHAN on Qc24. If the original document or a clear photograph made normal size (with scale exhibited) is submitted, a definite conclusion with respect to the comparison with the writing of SIRHAN may be reached.

Remarks:

Results of the fingerprint examination of Q25 and Q26 are being furnished separately.

It was found that the handwriting on Q25 and Q26 is not comparable with the known handwriting specimens submitted in the KENSALT case. While an adequate comparison could not be conducted, differences were noted in handwriting characteristics in Q25, Q26, and the known handwriting in the KENSALT case.

The detailed physical characteristics of Q25 and Q26 are being retained for future reference.

Los Angeles will include the results of the FBI Laboratory examination in its investigative report concerning this matter.

Although there is no proven scientific basis for accurately determining qualities such as age, education, occupation, regional accent, etc., on the basis of a limited voice sample, the following subjective aural impressions based on the voice quality and language usage of the unidentified caller, are set forth:

The voice of the anonymous caller is that of a mature male, possibly between the ages of 35 to 45. Although the thoughts which he expressed are somewhat disorganized and vaguely stated, it is believed that the caller is intelligent and well read but probably has little if any formal education.

The accent of his initial comment seems to be somewhat affected "hillbilly;" but, thereafter, his accent can be broadly characterized as Southwestern United States. His speech patterns are idiomatic and do not appear to be contaminated by foreign influence.

It is noted that the anonymous caller, with the exception of his initial comment, pronounces his words fully without swallowing syllables or clipping word endings, particularly final (r).

Remarks:

The analysis and comparison of voices for speaker identification is conducted to provide investigative guidance.

Due to intermittent background sounds and a poor signal to noise ratio, the utterances recorded on K21 were not suitable for voice comparison purposes. A comparison of the utterances of SIRHAN BISHARA SIRHAN, designated as K20, with the voice of the anonymous caller to Radio Station KNEW, Oakland, California, designated as Q27, has been made. The K20 utterances differ in significant characteristics from the anonymous voice on Q27. It is not likely that they could be the same speaker.

ReLAAirtel 7/8/68, making reference to Sacramento airtel to Bureau dated 6/7/68.

A search in the Bureau's records does not disclose the receipt of Sacramento airtel dated 6/7/68, with attached certified copy of California driver's license #238847 of SIRHAN BISHARA SIRHAN.

Sacramento will search its files to determine whether referenced airtel actually has been mailed to the Bureau.

Past experience of the FBI Laboratory reveals that copies of driver's licenses frequently are not clear enough for adequate handwriting examination. In submitting the copy of SIRHAN BISHARA SIRHAN's driver's license, Sacramento should obtain a clear photograph made normal size, properly certified, so that suitable document examination may be conducted.

Enclosed for the Bureau is one photocopy of Calif. driver's license M238847 for SIRHAN BISHARA SIRHAN.

Sacramento files do not contain airtel to Bureau dated 6/7/68. Sacramento files revealed above referenced teletype advising the Los Angeles Division that Calif. driver's license for SIRHAN BISHARA SIRHAN was being furnished that date to the Los Angeles Division by routing slip.

By above referenced telephone call, the Los Angeles Division was advised that inquiry at Dept. of Motor Vehicles, Sacramento, revealed that the original application for Calif. driver's license for SIRHAN BISHARA SIRHAN was in the custody of Senior Special Investigator, Mr. JAY MORRIS of the Van Nuys Office, 14920 Vanowen St., Van Nuys, Calif., telephone number 213-787-7220.

Inasmuch as the enclosed photocopy of SIRHAN's driver's license comes from the Soundex Files, of the Calif. Dept. of Motor Vehicles, which in turn is a negative, copy of the original application with the photo attached, the Los Angeles Division was requested to contact Mr. MORRIS and obtain a clear photo made normal size, properly certified, to forward this to the FBI Laboratory for document examination.

LEGISLATIVE REFERENCE SERVICE
[Senator Edward M. Kennedy]

Paris (France)
June 11, 1968

Dear Brother Kennedy:

Oh, dear God, is it possible that such tragic fate must keep befalling the most noble family of the 20th century, the Kennedys. Please follow the following instructions most faithfully, because a big gang has condemned you, too, to death.

1. Make no statements, not even among your friends or your family, because walls have ears too. Keep quiet.
2. Leave America without delay.
3. Do not get in touch with anyone, not even your own wife, until after the elections.
4. Three months after the elections, you may return to your wonderful and unhappy children.
5. You must take as your companion a hapless Serbian.
6. Do not engage in 1969 in any State affairs.
7. You, unhappy brother Ted, have been condemned to death by the same gang that killed your two brothers. They will kill you on the election day this year. I entreat you as God himself to leave America right away, as soon as you receive this letter.

8. You will find out who I am only after the elections, through your sister in Paris.
9. In 1972, you will become the deserving master of heaven and earth, you will become President of the United States.
10. In 1973, you will avenge your brothers and do away with this gang.
11. For four years, the idiot Johnson has refused to let me settle in Chicago. My entire file is at the Embassy. I should like to ask of you that your sister make it possible for me to settle in Chicago, as I am a political emigre. I am an unfinished student, have not completed my studies. I was an agent of Belgrade, Washington, Moscow, Tel Aviv, and Peking. I was born the same year as you, or, perhaps, a year earlier. I was expelled from France, appealed and my appeal was granted. I look very much like you. I am a teacher by profession, and have completed the work in the Faculty of Philosophy at the University of Belgrade.
12. Let them get me to America in some way. Your sister can do it. I was sick and because of my illness, I was turned down in 1966. My health has now improved, so let them call me for another physical. Your sister can do this for me.

13. To be frank, I am totally impoverished and without money. Now I clean streets. I should like to ask you, therefore, dear brother Ted, for \$1,000 help.

14. I will get in touch by mail with your sister, the wife of the Ambassador in Paris - I'll use the same green pen and tell her who I am.

PARIS, FRANCE

SUBJECT: Information concerning the Yugoslav national, Djura STOKIC.

Djura STOKIC, born on April 26, 1931 at Dolovo, Yugoslavia, son of Zorco and Julijana ZIVANOV, Yugoslav national, is employed with the "Bar Cleaning" establishment, 18, Rue Chaussee d'Antin, Paris 9. He resides at 23, Rue Guillaume Tell, Paris 17.

STOKIC entered France on January 21, 1963. He is considered to be of good repute by his circle of friends. He is the holder of a residence permit valid until 3-18-67 and of Political Refugee Card No. 142-460/5696.

STOKIC is very well thought of by his employer; he is a hard worker, sober and honest.

However, following a demonstration, he was taken to the Psychiatric Institution of the Prefecture de la Seine in May 1965 and was then transferred to the Psychiatric Hospital of Ferrey-Vaucluse, Seine et Oise, where he stayed for two months.

STOKIC shows temporary signs of abnormality, relating that his uncle is a minister; that his father was a superior officer in the National Yugoslav army, but compatriots from the same district confirm that he comes from an agricultural family. However, STOKIC is widely knowledgeable. He can read but not write French. He appears to have a rather strong leaning towards writing to certain Heads of Foreign States.

He is in letter contact with some of his compatriots and is said to correspond with Vladimir ZOCHEVICH, 1913 W Schiller Street, Chicago 22, Illinois.

In general, Djura STOKIC is not subject of bad information and despite his occasional mental deficiency, is not considered as a dangerous person.

STOKIC, Djura.

Official French police records reflect that STOKIC, Djura born 28 April 1931 at Dolovo, Yugoslavia is unmarried.

A Serbian Nationalist, STOKIC claims to be supporter of the reestablishment of the monarchy in his homeland.

Manifestly obsessed with Yugoslav political problems, he often reads to his compatriots, some letters which he is addressing to the high dignitaries of the actual Yugoslavian regime, even to the Yugoslavian Ambassador in France. In these letters, STOKIC, denounces with violence the "Régime Concentrationnaire de la Yougoslavie". These letters are oft-times incoherent with vague threats.

Concerning his private life, this foreigner is unfavourably noted in the Records of the Prefecture de Police. He is generally reported as unstable in his job, hot-headed and poses as a homosexual. He lives with a Russian citizen YARESKO, Michel, born 8 Oct. 1898 at Tchensockoff, a butler, well-known for his peculiar mores ("mœurs spéciales").

Djuro STOKIC

Reference is made to your memorandum of July 24, 1968, enclosing a photograph and letter in the Serbo-Croatian language - Cyrillic script, received by the Embassy in Paris.

Due to the handwriting, a complete translation cannot be made; however, portions of the letter indicate subject to be possibly a mental case. The photograph attached to the letter is that of the subject. It is to be noted that the letter is dated January 22, 1968, at Paris, and signed "Long live Djuro Stokic, the Jew."

The first sentence of the letter indicates that subject plans to get even with President Johnson by stealing his wealth. He also claims to have a list of names of 13 American millionaires, the first being President Johnson and the 13th Governor Nelson Rockefeller. Subject claims he has been forced to this action because President Johnson is responsible for his being turned down a thousand times for a visa to enter the United States. Subject also claims that women and other people are always looking at him and following him. Subject states that, although he likes women, he loves money, "dollars," more.

Our Paris records contain no information identifiable with the subject.

In view of the threat against President Johnson, the original letter and photograph are being furnished to Mr. John H. Hanly, U. S. Secret Service, Paris.

A copy of the letter and photograph are also being furnished to the Visa Section in view of the statement by

KENSALT

ReBulet to Paris 8/16/68, enclosing copies of anonymous communication dated 6/11/68 at Paris, France, addressed to Senator EDWARD KENNEDY, and the translation of this communication.

By referenced letter, Paris was requested to attempt to identify the author of the above-mentioned letter..

For information of the Bureau and Los Angeles, the Paris Office recently received from CIA, Paris, a photograph and letter in the Serbo-Croatian language (Cyrillic script). A partial translation of this letter identified the writer as DJURO STOKIC. As the letter alluded to a threat to President JOHNSON, the original letter and the photograph were furnished to the Paris office of the Secret Service.

Enclosed for the information of the Bureau and Los Angeles is one copy each of Paris letter dated 8/7/68 to ALS (CIA), with copies to Secret Service and Visa Section, American Embassy, Paris. Enclosed for the Bureau is one copy of the Serbo-Croatian letter dated 1/22/68 at Paris, with photograph of DJURO STOKIC.

It is to be noted that there are numerous similarities between the letter written to Senator KENNEDY and the STOKIC communication. Both of these letters were written in the Cyrillic script of the Serbo-Croatian language and both enclosed photographs. Both letters alluded to the fact that

the writer had been refused a visa to immigrate to Chicago and both letters ended with the words "long live" (ziveo). In the letter to Senator KENNEDY, the author stated he had been born in the same year as the Senator. It is to be noted that Senator KENNEDY was born 2/22/32, while STOKIC, according to information contained in Paris Secret Service file, is listed as having been born 4/26/31 at Dolovo, Yugoslavia.

Enclosed for the information of the Bureau and Los Angeles is one copy each of Secret Service, Paris, report and American Embassy, Paris, Visa Section memorandum dated 5/26/66 pertaining to STOKIC. It is to be noted that the source of the Secret Service report is the Police Judiciaire (Criminal Police), Surete Nationale, Paris, and that it denotes that STOKIC had been placed in a psychiatric hospital in France in 1965. This same report also states that STOKIC appears to have very strong leanings toward writing letters to certain heads of foreign states.

STOKIC's visa file at the American Embassy, Paris, reveals that his application for an immigrant visa to the United States was rejected as he was found medically ineligible, class "A." According to the Visa Section, classification "A" is a classification given on the basis of mental or physical inability seldom overcome.

Based on the information set out in this letter, it is believed that the author of the letter to Senator KENNEDY may be possibly identical with DJURO STOKIC.

0.33
The Bureau is requested to have the FBI Laboratory make a comparison of the handwriting between the letter addressed to Senator KENNEDY, dated 6/11/68, with those written by STOKIC, dated 1/22/68, and the one STOKIC wrote in 1966 on the front and back of a World Council of Churches letter dated 5/24/66. Copies of these three letters are enclosed.

It is to be noted that the original STOKIC letter of 1/22/68 was furnished to the Paris office of the Secret Service on 8/7/68 and they have, in turn, forwarded this letter to their headquarters in Washington. The original STOKIC letter of 1966 is located in the American Embassy, Paris, visa file.

In addition to the Laboratory comparison, the Bureau is requested to determine from Secret Service headquarters in

PAR 62-204

Washington, D. C., if the photograph or picture enclosed with the letter to Senator KENNEDY (see page three, next to last line of translation letter) was that of the author. In the event this was the case, the Bureau is requested to compare the photograph of STOKIC with that contained in the letter to Senator KENNEDY.

A copy of the translation of the letter to Senator KENNEDY has been furnished to the Ambassador's office in view of information that the author plans to contact Mrs. SHRIVER in the future. Copies of this same communication were also furnished to the Secret Service, Security Office and the Visa Section of the American Embassy, Paris.

It is requested that Secret Service be contacted and a determination made as to whether the photograph contained in the 1/22/68 letter to President Johnson from Djuro Stokic is identical with the photograph that apparently was enclosed in the 6/11/68 anonymous communication. - Kc23** Photocopy of two-page letter dated at Paris, 5/24/66, bearing purported handwriting of DJURO STOKIC
- Kc24** Photocopy of two-page letter in Serbo-Croatian language, dated 1/22/68, purportedly written by DJURO STOKIC, and attached copy of photograph, alleged to be that of the writer

Result of examination:

It was found that the purported writing of DJURO STOKIC appearing on the submitted photocopies designated Kc23 and Kc24 is entirely too indistinct to permit a suitable comparison with the questioned writing on the two-page letter designated as Q33. Specimen Q33 is the original letter for the photocopy Qc33. Q33 and the envelope in which it was mailed, designated Qc32, are described in FBI Laboratory report dated 8/23/68, a copy of which was furnished to the Director, U.S. Secret Service, Washington, D.C. Photocopies of Q32 and Q33 were furnished with FBI Laboratory report of 8/23/68.

Due to the indistinctness of the writing on Kc23 and Kc24, a definite conclusion was not reached whether DJURO STOKIC wrote the questioned writing on Q32 and Q33. Certain handwriting characteristics were noted in the purported known writing of DJURO STOKIC on Kc23 and Kc24 which are consistent with handwriting characteristics in the letter designated as Q33. These consistencies in handwriting characteristics indicate that Q33 may have been written by DJURO STOKIC.

The submitted material is being retained in the FBI files.

For the information of the Bureau, in addition to the handwriting samples of members of the family taken by Agents of this office, there are additional documents on file at the Pasadena, California, Police Department and at the City of Pasadena Welfare Department containing the signatures of SHARIF SIRHAN and SAIDALLAH SIRHAN. The most recent of these is a receipt for welfare funds given to SHARIF and SAIDALLAH SIRHAN dated 11/4/68. The second is a handwriting sample card made out in the name of SHARIEF B. Xerox copies of these documents are enclosed. The Bureau is requested to advise Los Angeles if the originals of these documents should be obtained at this time.

SIRHAN family between SAIDALLAH and SHARIF SIRHAN, who are living apart from the family home, and the mother, MUNIR and ADEL SIRHAN. Pasadena police officers who have been guarding the house on Howard Street have reported that several days ago SAIDALLAH SIRHAN appeared at the house and was refused entrance by his mother. He allegedly threw a fit of temper, screaming at her and accusing her of having money and not dividing it with SHARIF and himself. Lieutenant WRIGHT indicated he has arranged some welfare payments to SAIDALLAH and SHARIF on the basis of their contention that they could not work under their present circumstances.

At the time of the interview of SHARIF SIRHAN on 11/7/68 it was noted that SAIDALLAH SIRHAN, who was present, had been drinking. Later the same evening, about 10:00 P.M., SAIDALLAH appeared at the Pasadena Police Department looking for his brother SHARIF. SA PHILIP J. REILLY spoke with SAIDALLAH on the telephone to assure him that his brother was not in FBI custody. SAIDALLAH appeared to be quite intoxicated at this time, and separate conversation with Sergeant CHARLES T. DUVALL of the Pasadena Police Department, who was interviewing SAIDALLAH at the time, confirmed this.

Qc35 is described in FBI Laboratory report dated 11/12/68, addressed to Los Angeles.

No particular similarities were noted in the writings of SAIDALLAH SIRHAN and SHARIEF B. SIRHAN with respect to the questioned writing on Qc35.

Unless the original document for Qc35, or a clearer copy thereof, is submitted to the FBI Laboratory, it is doubtful whether future comparisons with known handwriting samples, will result in any definite conclusion. Therefore, at the present time there is no immediate need for Los Angeles to submit the original documents for Kc25 and Kc26 to the FBI Laboratory.

NOTE:

The questioned communication allegedly signed by Sirhan Sirhan's brother is extremely pro-Arab and anti-Semitic in nature and is generally critical of positions allegedly taken by Nixon and Humphrey in support of Palestine. The writer pleads "do not force us to believe in political assassination which is against our heritage and culture unless we are pressed from you." The letter contains implied threats to destroy every American politician who supports or negotiates any kind of help to the Zionist State. In view of the contents of this letter it is necessary that we pin down its origin.

ATTENTION FBI LABORATORY:

Attempt through known specimens of Sharif Bishara Sirhan's handwriting to determine whether he did in fact prepare this communication. Bureau Liaison is attempting to obtain either the original or more clearly defined copies.

This communication was allegedly signed by Sharif Bishara Sirhan and was postmarked Pasadena, California, October 22, 1968. The return address was given as Sharif B. The Laboratory is conducting examination of the signature in order to determine if it was, in fact, that of Sharif Bishara Sirhan.

Inasmuch as the communication may constitute a possible violation of the Extortion Statute Los Angeles should initiate immediate investigation in order to determine whether it was in fact prepared by Sharif Sirhan. Consideration should be given to conducting an immediate interview of the suspect.
